TOMÁS JACOB
Frontend Engineer @ The Trip Boutique

Hello, my name is Tomás and I am a **Frontend Engineer**. Currently, I work at The Trip Boutique, based in Zurich, helping to create its AI-based travel personalization platform. I thoroughly enjoy building websites and platforms, that make people's lives and work easier. My prefered tool is **VueJS** and its related frameworks and libraries such as **Nuxt**. Outside of work I am passionate about sports and music, with a keen eye for concerts.

Experience

Frontend Engineer @ The Trip Boutique (2023 - currently)
Building an AI-based hyper-personalization platform for travel. Responsible for the development of the frontend of the platform, as well as the development of the company's website.

Frontend Developer @ Frotcom International (2021 - 2023)
At Frotcom, I am part of the frontend team, responsible for its fleet management web application. It is built with VueJS, amongst other tools.

Junior Web Developer @ Softway (2019 - 2021)

Student @ Técnico Lisboa (2013 - 2019)
During my years studying at Instituto Superior Técnico I was actively involved in student groups and activities such as NEETI and AEIST. I also had the opportunity to work and organize a magnitude of events such as BreakingDev, SET and others, mostly in management duties, but also in developing technological solutions.
